Vice Admiral Richard G. Colbert, USN  
President, Naval War College  
Newport, Rhode Island 02840

Dear Admiral Colbert:

This is a note to thank you for your hospitality during my visit to the Naval War College on Wednesday. It was a very interesting and enjoyable session, and I am sorry that it was so brief.

I did gain the impression from the questions and comments by a number of the students that they were rather uninformed about the Agency, the Intelligence Community, and the general concept of National Intelligence. If you think that such a topic merits inclusion in the curriculum, I hope that you will call on [ ] for pertinent information and support.

With warm regards,

Sincerely,

R. E. Cushman, Jr.
